This topographic map of Ornans, France, illustrates the town's layout and its relationship with the Loue river. The river flows through the center of the town, with the town hall (Mairie) situated on its right bank. The map shows a network of roads, including the main road (N) and various local streets. Key landmarks such as the church of Saint-Vernier and the church of Saint-Étienne are marked. The map also features contour lines indicating elevation, a compass rose, and a scale bar (100m). The map is sourced from IGN (Institut National de l'Information Géographique et Forestière) and is part of the CD25 series.
